Ohio Department of Liquor Control (ODLC) Temporary Liquor Permit Requirements

- When is a Temporary Liquor Permit required?
 - **PERMIT REQUIRED:** A permit is required if a qualified organization intends to provide beer, or intoxicating liquor (wine, mixed beverages of spirituous liquor) either for sale by the drink or through the use of an entrance fee, cover charge, etc. or renter wishes to provide alcohol at a function open to the general public.
 - **NO PERMIT:** No permit is required if an individual or organization intends to provide beer, or intoxicating liquor at a private function where access is restricted to invited guests only, such as a wedding reception, for which no admission fee is charged, or any alcoholic beverages sold.
- The event sponsor or applicant is responsible for obtaining an approved Summit Metro Parks Special-Use Permit **prior** to obtaining the appropriate ODLC permit.
- Ohio liquor laws and rules can be modified at any time. It is suggested that the renter contact the Ohio Department of Liquor Control at (614) 644-2360 or web.liqr@com.state.oh.us for information regarding applications and permits. **Failure to secure the appropriate alcohol permit may result in cancellation of the event.**
- ODLC requests that applications be submitted at least 2-3 weeks in advance of the event date.

- The permit holder is required to provide, maintain, staff and monitor all requirements for Temporary Liquor Permit activities.
- Event organizers should encourage recycling of all waste from the event, including beverage containers. Any collected recycling should be placed within the appropriate container on site if available or transported off-site to recycling facilities.
