

# 2025 Planning Projects: Construction Projects – Towpath Trail Bridge

## PROJECT UPDATE

### Details:

- Replace Bridge between Snyder Avenue and Fairview Avenue in Barberton; near the Wolf Creek Trailhead
- Annual inspections found the concrete structure to be failing
- Preserving the historic canal spillway
- Fechko Excavating is the contractor
- Received \$25,000 grant to help fund the project
- Beginning in late January to be complete by late May 2025
